Plant Tissue Tracker Setup Form

Please submit this form with the first group of samples

Use the farm name and a number as the tracker ID (ex. "Home 1")

Submitted By: _____

Phone: _____

Email Reports To: _____

Grower	Farm	Field	Sample/Tracker ID	Crop	Planting Date	Location (approx)	Custom Sampling (Yes/No)	Add ons to tissue testing

Add ons

- 1 Soil Nitrate (\$17)/Sample
- 2 End of Season Whole Plant (\$40)/Sample

Custom Sampling

\$75/hour

We divide the cost by the number of locations we can sample in one loop

We will call you to discuss locations/frequency
